

ARE YOU LOOKING FOR SOMETHING NEW AND EXCITING TO DO WITH YOUR DOG? HOW ABOUT TRYING *TREIBBALL*?

Cleveland All Breed Training Club - Cleveland, OH

March 21st - 9:00 to 5:00

March 22nd - 9:00 to 5:00

Two identical one-day seminars to learn the basics of this new dog sport. Working spots are limited to 12 per day. Unlimited auditing spots are available.

Treibball is a new way to play with your dog! It's a competitive sport for dogs of all ages and sizes—it promotes better teamwork and communication between a dog and handler. It's great fun for any energetic dog who works well off-leash and needs a job. Playing the game uses a combination of classic obedience and herding cues.

If you haven't seen the game in action yet, watch the videos on the American Treibball YouTube channel!

We think it's a great game – perfect for dogs and their owners, too! It's fun for any dog that loves to play chase games, to herd, or just use their amazing, problem-solving ability. Competing in Agility takes special equipment, the ability to run with your dog and direct him through each obstacle. *Treibball* promotes the same kind of teamwork and communication, but does not put any physical stress on the handler. It also builds confidence for the shy dog, and helps reactive dogs with impulse control.

Cleveland All Breed Training Club is pleased to present an *Introduction to Treibball* seminar.

The Seminar will be presented by Dianna Stearns. Dianna is the current president of the American Treibball Association and owns Waggin's West Dog Training and Behavior Consulting, LLC in Northglenn, Colorado. Waggin's West believes that the growing sport of *Treibball* provides dog owners a great opportunity to communicate and play with their dogs, and developed the original clicker training curriculum to be licensed exclusively for use by the American Treibball Association.

Dianna is the first Certified American Treibball Trainer (CATT) and has been a judge at national *Treibball* competition. She is also the author of the first definitive book about the sport, published by Dogwise: *Get the Ball Rolling ~ A Step By Step Guide To Training for Treibball*. She lives with her dogs Blondie, Fin, and Gemma.
